

We are the Australian East Coast group of the EdL. We are a combination of Licenced Teachers and Trainee Teachers and there are 9 members of the group. We are located in New South Wales, South Australia and Victoria. Our teacher training is held 3 times a year and is conducted at hired facilities in various Victorian locations. Some of our participants travel 800kms to take part! Our course has been running for over a decade.

All of the East Coast Australia group are motivated by changing the equestrian culture in Australia for the better, we all really appreciate the deep understanding of the horse's nature and historical training precedents for horse training that the EdL offers us. Philippe Karl initially came to Australia to conduct our clinics but in later years Sylvia Stoessel and Melanie Bulmahn have continued to inspire us and push us to be ever better horse and people trainers.

Greetings from Downunder, for Northern Hemisphere riders it would be hard to imagine it being too hot to ride over Christmas! Merry Christmas and here's wishing for an amazing 2022!
